**NOTIFICATION TO: ACCOUNTING TEACHERS & LEARNERS**

**FREE EXAMPLES OF GRADE 12 ACCOUNTING EXAM:  
PAPER 1 & PAPER 2**

Dear Grade 12 Accounting Teachers and Learners,

We hope that you have coped well with the national lockdown procedures and that you are safe and healthy.

In order to assist Grade 12 Accounting learners we have developed a specially worked example of the Accounting NSC exam that will be written at the end of this year. We are pleased to give this to you free of charge. We would like learners to use this examination as a learning experience now in keeping up to date, and later in the year in preparing for the Trials exam and final NSC exam.

The panel of nine *New Era Accounting* authors are all well-respected in educational circles and over the past few decades have become known as highly knowledgeable and experienced in developing quality resources for high school Accounting teachers and students.

This Matric group are part of the first group of learners that will be writing two papers in Accounting:

- **Paper 1:** Financial Reporting and Evaluation (i.e. **external** processes of companies)
- **Paper 2:** Managerial Accounting, Internal Auditing & Control (i.e. **internal** processes).

You may download Paper 1 and Paper 2 together with their answer books and marking guidelines using the links shown below. Although these documents are PDF versions, you may also download the Word version of the Answer Book to allow you to enter answers directly into this document if you prefer.

Please feel free to email us with feedback on these papers. You may also register for notifications of further free resources in future. You are provided with the following links and contact details:
